

The Global Lie: The 2020 Election

by Benjamin Moran

November 16th, 2020

“Do not be deceived: God is not mocked, for whatever one sows, that will he also reap. For the one who sows to his own flesh will from the flesh reap corruption, but the one who sows to the Spirit will from the Spirit reap eternal life.” Galatians 6:7-8 (ESV). A terrible deception has befallen what was once the greatest democracy in the world. The corrupt left and their phony pawn Joe Biden have indisputably controlled the results of the 2020 election like puppetmasters. Hello, free folk of the world. Welcome back to *The Global Lie* - a show where we expose the truth amongst a hoard of lies spread by our tyrannical governments. Today we will be exposing the truth behind the 2020 election between President Donald J Trump and socialist Joe Biden. Prepare to have your eyes opened.

Over the course of the past four years, President Donald J Trump has been succeeding in his promise of making America great again. By setting the destruction of Obamacare in motion, signing the Tax Cuts and Jobs Act, defeating ISIS, securing the border, and pulling out of the fraudulent Paris Agreement, Trans-Pacific Partnership, INF Treaty, NAFTA, and Iran Nuclear Deal, President Donald J Trump has already secured his position as the greatest president of the modern times, if not, the greatest president of all time. President Donald J Trump's actions have improved the lives of every American and severely cut the government's ability to control and manipulate citizens. This is why the radical left organization known as the Democratic Party set in motion a ploy to undermine democracy and create the greatest electoral fraud of all time.

Under this topic, we have three major enemies of the people to examine. We will start off with the face of the radical left movement: the mainstream media. We define democracy as a society ruled by us, the people. Our most sacred practice in a democracy is the election. It is our chance, as the free people of the world, to elect our representative. Four years ago America made the correct decision by electing President Donald J Trump. However, many voters were blinded by falsities flashed before them by none other than the mainstream media. Government puppets like CNN, MSNBC, and ABC spread fake news about Donald J Trump and the silent majority at any chance they get if it benefits the strength of the government's tyrannical rule. On May 11th, 2017, CNN's Dan Merica published an article titled: “Trump gets 2 scoops of ice cream, everyone else gets 1.” This article is one of many absurd pieces published by the mainstream media in their four-year smear campaign against our great President. All the while ignoring the damning evidence about Hunter Biden, but we will get back to that later.

The mainstream media has taken it upon themselves to decide who wins our elections. They prematurely declare state victories to the Democratic candidate before the full results have come in, results that would likely benefit President Donald J Trump. Take, for example, Arizona. A historically right-voting state that, out of the blue with no explanation, randomly started showing a Democratic lead in early results. However, right as President Donald J Trump started to gain heavily on phony Biden, the mainstream media called the state as a set in stone victory for Biden.

The media's corruption continued over to the social side where popular left-wing outlets like Twitter and Facebook continuously flagged President Donald J Trump's tweets, hiding them from the world and limiting our President's freedom of speech. When the leftist puppets control how much our elected President is allowed to practice his First Amendment rights, that is when you know we have truly fallen into a totalitarian despotism. Earlier this year The Global Lie published a video revealing the truth about the COVID-19 hoax. As the leftist media would do, knowing all too well that this pandemic is just part of the smear campaign run against President Donald J Trump, YouTube tried to censor our video.

The next villain in this treacherous attack on our freedom is Democratic candidate Joe Biden. This man is being used as a trojan horse for the radical socialists to infiltrate our government, and he is too weak-minded to realize it. Through Biden, who thought he was running against former President George W Bush, the radical Kamala Harris has been given an opportunity to tamper with our freedom. Furthermore, Biden has been making deals with communist extremists like AOC to strike down our rights in the name of the global warming hoax. Biden's son, Hunter Biden, has proven ties with Ukraine, Russia, and China. This indisputable proof allows us to see the reality behind the DNC's true intentions. Rather than being sheep controlled by the elitists, we can open our eyes. Russia and China have their fingers shoved deep into America's establishments. We are in the midst of a second Cold War and we are losing, all because so many fail to realize the demonic truth behind the Democratic Party and the Socialist motives of the radical left.

The final villain in this horrific event is none other than the government. Not merely the United States government as it plays itself to be, for that is just the tip of the iceberg. This enemy is far worse. It is the link between our oppressors. It is the deep state puppetmasters playing all the cards at our table. It is a blasphemous cult that has formed a pact with Satan himself. It is the highest form of tyrannical aristocratic governance. This enemy, known as the Illuminati, is the face behind everything we fear as free people. They serve one goal: to maintain ultimate power over all things. They are false gods trying to rebuild the Tower of Babel with hostile intent.

As promised, we will now present the indisputable proof that the 2020 election was rigged by the Illuminati resulting in a false victory by phony Biden. Let us first look at Georgia. This state is a historically Republican-voting state. For all of the election night and the days following, Trump lead in Georgia as expected. Suddenly, out of nowhere, Biden somehow got ahead in Georgia. Any man or woman with a basic knowledge of statistics will realize that this is not possible unless tampered with. Shockingly enough, the same thing happened in the states of Wisconsin, Virginia, Minnesota, Michigan, and Pennsylvania. What the radical left does not want you to realize is that they lost. The radical left lost and they knew it. So, they did the only thing they knew how to do: cheat. Fox News's Tucker Carlson told the story about a Georgia woman named Deborah Jean Christiansen. Carlson states that Christiansen "was well known in her community for years as a bird watcher, an avid gardener, a committed fan of the Georgia Bulldogs." Unfortunately, Christiansen passed away last May, and yet somehow, she was still able to vote for Joe Biden. Carlson was later pressured by the left to retract his statement, doing an incredible disservice to the justice Deborah Jean Christiansen deserves. She was among an apparent 15,000 votes for Joe Biden cast by dead people. In Pennsylvania, that number totals 21,206 according to a lawsuit filed by the Public Interest Legal Foundation, which is a very trusted Indiana-based legal group.

We cannot say precisely how far this fraudulent cheating goes since state governments have restricted our right to observe vote counting. What is it that they don't want us to see? Could they be discarding votes for President Donald J Trump? As of now, we can sadly say that over 100,000 votes for President Donald J Trump were discarded at various polling stations. Could they be receiving truckloads of false votes for Biden? There have been stories about batches of votes coming in that are 100% comprised of votes for Biden. While many voters are misled sheep under the thumb of the Illuminati, the odds of a vote being comprised entirely by Biden votes is simply not possible. Biden magically found the votes to take the lead in Michigan, Wisconsin, Georgia, and Pennsylvania. All four states would've been the push President Donald J Trump needed to secure his rightful victory in the 2020 election, and all four states randomly turned blue with over 95% of the vote counted.

Open your eyes. Do not be blind. We cannot let tyranny triumph. We must protect our rights and freedoms. We cannot allow ourselves to be oppressed. The proof is indisputable: President Donald J Trump won, and he won by a lot. Through a process key to the strength of democracy, we the people elected President Donald J Trump for a second term. We will not stop until he rightfully gets his second term. Then we will elect him for a third term, and a fourth term, so on and so forth. He made America great again, and we must keep America great. Trust in God, and take the action required to protect our sacred gift of life. As stated in James 1:22 (ESV), "But be doers of the word, and not hearers only, deceiving yourselves."
